DR. SALAM SYED,

ORDER DENYING MOTION FOR RECONSIDERATION

On August 25, 2020, the court entered an order granting Defendants' motion for summary judgment on the claims in this matter, dismissing the exhausted federal claims with prejudice and dismissing the unexhausted federal claims and state law claims without prejudice. Plaintiff Robert Reifschneider filed this motion for reconsideration, asserting misstatement of facts and misinterpretation of the law. Here, Plaintiff presents largely the same arguments supporting his motion as he presented in his petition and presents no new evidence to justify reconsideration. The court explained the reasons for its August 25th order and finds no grounds to reconsider its decision. Therefore, the motion for reconsideration is **DENIED**.

SO ORDERED this 21st day of September, 2020.
